A wonderful book for the Feldenkrais Method – it works well for people who have never heard of Feldenkrais, in that it shows the important aspects that people need to know. The book really helps people grasp how and why the Feldenkrais Method is different from other modalities, how intelligent, effective and unique it is. And the book works equally well for people who know and have experienced the Feldenkrais Method before. People really like the book. Everyone s
